

Most Unique Rooms in the  
*Mexican Caribbean*

## Honeymoon Oceanfront Suite

### Impression Isla Mujeres

On the highest floor of the resort, this suite offers unobstructed ocean views and lots of privacy. This spacious suite (over 1,400 sq ft) features a private outdoor area and two jacuzzis - one on the balcony and another behind the bed, creating a romantic retreat.

## Rooftop Wellness Suite

### Hotel Esencia

Set across the top two floors, this suite is designed for a luxurious, wellness-focused escape. Features a private fitness studio, choice of fitness equipment, expansive indoor-outdoor spaces, and a rooftop terrace with a pool. With spa-style amenities and the option to connect to an additional suite below, it offers a blend of privacy and comfort.

## Romance Bungalow

### TRS Yucatan

Located on the lagoon, this suite offers a secluded, cabin-style retreat surrounded by nature. Featuring a private entrance, its own jetty with canoe access, and an outdoor shower, it has a unique and romantic vibe. The terrace also includes a hammock to catch sunset on the lagoon.

## Overwater Bungalow

### Palafitos at El Dorado Maroma

Set on the turquoise water of Maroma Beach, this suite offers the only true overwater bungalow experience in the Mexican Caribbean. Each feature a private terrace, a private pool, glass-bottom floors, and outdoor showers, creating a truly unique stay. Guests can access the ocean directly via a ladder from their suite's terrace.

## Inspira Business Suite

### Atelier Playa Mujeres

One of only two, this suite is a spacious, work-focused retreat designed for productivity without sacrificing comfort. Featuring an executive meeting area, expansive living and dining spaces, and private terraces, it blends business functionality with luxury amenities, including access to INSPIRA privileges.

## Sky Rooftop Villa

### The Riviera Maya Edition at Kanai

This over 25,000 square foot suite, North America's largest hotel penthouse, sits above the mangroves with views of the Caribbean Sea and nearby nature reserve. The five bedroom layout includes indoor and outdoor living areas, terraces, and a semi Olympic infinity pool, offering a private, self-contained space.

## Rock Star Suite Ocean Front (Two Bedroom) with Personal Assistant

### Hard Rock Riviera Maya

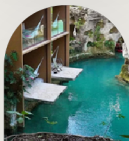

Designed for an over-the-top, music-inspired stay, this suite features expansive living spaces, a private game and theatre room, in-suite gym, and entertainment areas. The rooftop has a hot tub, fire pit, and DJ booth, creating a truly one-of-a-kind experience.

## Jungle Treehouse

### Nomade Holbox

This suite is elevated 7 meters above ground and set within dense jungle surroundings, designed to blend into the natural environment. It includes an outdoor shower and open views of the surrounding landscape and sky. The overall design focuses on a simple, comfortable stay within a treetop setting.

## Jump River Suite

### Hotel Xcaret Mexico & Arte

Set along the resort's river canals, this suite offers a truly immersive experience. Featuring direct access to the water, guests can jump or walk down the stairs (building dependent) straight from their private terrace into the river, blending luxury accommodations with the natural surroundings for a one-of-a-kind stay.

## Oceanfront Honeymoon Suite

### El Dorado Seaside Suites

Located on the top level of the resort, this suite has the best views and maximum sunlight, along with direct access from the balcony to a shared pool. Designed for a romantic escape, guests also get added benefits like a candlelight dinner on the beach, personalized concierge service and more (min. stay 4 nights).
